

SharpWhite sanding disc Ø 75mm - Multihole

SFDD

- Fast, accurate, dust-free sanding
- Developed for spot and smart repair
- Perfect for sanding hard to reach areas
- A must-have for bumper and wheel repair
- Quick & easy disc change
- For 75mm dual action sanders
- Longer disc life; white, anti-clogging coating that helps keep the disc from loading up during sanding
- Excellent dust extraction ; 29 holes
- Adapted to the latest paint systems; works perfectly on air-drying primers, scratch-resistant clearcoats and UV cured paints
- Ultra flat film backing results in a consistent scratch pattern
