- Manufactured in-house
- 100% control over production process & quality

**High added value,
High profitability**

Water-based degreaser, dry wash, one-step polish paste, plastic renewal gel,...

B

- Developed in-house
- Invested in tooling, equipment or mouldings for manufacturing under subcontract

Paint system, mixing cups, abrasives technical sprays,...

C

- Developed in-house
- Manufacturing is completely subcontracted

Spray guns, polishing pads, putties, overalls, ...

D

- Ready-product purchased from external vendor taking quality standards into account
- Finixa look & feel added

**'Me too' product,
Lower profitability**

Tapes, gloves, degreasing cloths, masking paper,...

RESEARCH & DEVELOPMENT

As part of our growth plan, we work on new product development and product improvements. All products are tested extensively before they are brought onto the market.

We work on finding solutions to replace traditional solvent-based products by high-performing water-based alternatives.

QUALITY**

MANUFACTURING

The products that are developed in-house are also manufactured in-house or manufacturing is subcontracted. This means higher profitability, faster lead times and a guaranteed quality.

LOGISTICS

Via our own distribution centre in Belgium we organise shipments to dealers all over the world.

FINIXA TRAINING CENTRE

We take pride in training dealer employees and body shops from around the world in our state-of-the-art training centre in Antwerp. This way, we guarantee a correct and standardised usage of our products.

MARKETING

We have our own in-house marketing department continuously working on a strong brand and effective sales tools.

LOYAL PARTNERSHIPS

We aim to work as partners with our dealers and distributors

Our goal is to grow loyal, long-term relationships that create joint value

We are looking for partners that are loyal to Finixa with only limited brand switching

YOUR ADVANTAGES AS PARTNER

5 reasons for being a Finixa distributor

ADVANTAGES

PROFITABLE

COMPETITIVE RANGE

Strong, recognizable brand - Wide product range - Excellent price/quality - Highly profitable for Finixa dealers (margin)

QUALITATIVE

HIGH PRODUCT QUALITY

Quality control - Same product quality all over the world

RELIABLE

LOGISTIC RELIABILITY

Large available stock - Years of experience in global distribution - Pre-set agreements possible

SUPPORTIVE

ONGOING SUPPORT

Marketing incentive programs - Strong branding - Training programs - Sales coaching - Technical support

LOYAL

COMMITMENT IN PARTNERSHIP

Commitment to help you grow & develop - Striving for a long-term partnership

**FOCUS ON 1 PRODUCT
BRAND MEANS
HIGHER PROFITS FROM
GREATER SALES
VOLUME**

YOUR RETURN ON INVESTMENT

As a preferred partner

Higher stock rotation means lower stock levels are needed:
less capital to be invested for **higher margins**

STOCK

More shelf space available in your warehouse for 1 brand means
fewer out-of-stock situations

High commitment: both parties invest in the relationship.
Marketing efforts are focused on 1 brand: greater result.
Sales reps get to focus on 1 brand; are well-trained on all product features and benefits.

You will be able to **develop a market** without fear of another Finixa distributor
reaping the benefits of your investment
