

### TECHNICAL DATA SHEET

#### LRS 70 - Finixa top coat - mat - 250ml

#### LRS 71- Finixa top coat - glossy - 250ml

##### **Description**

LRS 70/71 is a ready-to-use waterborne mat topcoat, durable film which is also extremely scratch resistant. Finixa top coat has a slightly slippery feel that allows one to obtain a high gloss finish with excellent rub and scratch resistance (wet & dry).

Alternatively, Finixa top coat mat can be mixed with Finixa top Coat glossy to obtain the desired degree of opacity.

Add LRS 72 Finixa top coat adhesion promotor to LRS 70/71 to improve general rub resistance, particularly wet rub. LRS 70/71 mixed with LRS 72 must be used within 8 hours.

##### **Directions**

See guidelines LRS
