Conforms
< 0.5%

Features

- ✓ re-usable
- ✓ no binders
- ✓ non-scratching
- ✓ soft
- ✓ new fibres
- ✓ good absorbency
- ✓ resists to solvents
- ✓ good wet and pull strength
- ✓ Roll in dispenserbox

EP = European Pharmacopoeia

Areas of use/applications

Automotive

Janitorial

Packaging formats

Flat in a box

Roll in
dispenserbox

This information corresponds to our current knowledge on the subject. It is offered solely to provide possible suggestions for our own experimentation.

It is not intended, however, to substitute for any testing you may need to conduct to determine for yourself the suitability of our products for your particular purposes.

This information may be subject to revision as new knowledge and experience becomes available.

Since we cannot anticipate all variations in actual end-use conditions, Chemicar make no warranties and assume no liability in connection with any use of this information.

This information does not constitute a specification and is only intended to show the typical properties of the product. Product safety information is available on request.

Data in this Technical Data Sheet relates only to the specific materials designated here in and not to use in combination with any other material or process.

The information given here is the best available at time of issue. It is based on our present knowledge but does not constitute a contractual description of product properties.
