

TECHNICAL SHEET

TAK 20 – Finixa tack rags soft 17cm x 45cm 100p.

Description

The tack cloth **TAK 20** is perfectly applicable for all painting and associated cleaning works. It is as well ideal applicable in office, at home and any other place where perfect absorption of dust is evident. Its unique **water-soluble** hydro-impregnation absorbs and holds dust and dry dirt reliably. The comfortable, soft cloth is absolutely secure in application and glides perfectly over sanded and smooth surfaces.

The cloth is totally free from silicone and wax, absolutely compatible with all kinds of paint and it never dries out.

Special features:

- Impregnation water-soluble
- Almost imperceptible though highly-efficient impregnation
- Easy and secure application
- Anti static effect, therefor ideal for plastic surface treatment
- Very soft material
- Ecologically friendly
